THE KNIGHTS' NOTES

Our double against Kalamunda a fortnight ago must have restored some of the confidence which was well and truly dented against Mandurah the week before.

It was not the win, nor the big margin, but the way in which the League side went about the game which was so important.

Right from the start it was obvious that they were determined to play as a team and the constructive handball and perfect footpassing were again evident.

BEST PLAYERS: Frank Legena — another great game. Noel van Heythuysen — Ten brilliant goals. Ron Elmer — ("Fudd") — He always said he was a forward. Murray Lloyd — A constructive rover.

Many others also played well in what was an overwhelming victory.

Congratulations to the Reserves on bringing up their first win for some weeks. Their **BEST PLAYERS** were: Sandy Muir, Bob Blowburger, Ivor Brooker and Drew Proctor.

PLAYER OF THE WEEK

Any player who can kick ten goals in one game has played well, but when he does this from a half-forward flank, it makes the performance even more creditable. Noel van Heythuysen has managed big scores in many games this year and he must be rated one of the most dangerous forwards in the League.

Noel possesses a prodigious kick and he has the ability to kick goals over long distances or from any angle.

A very deceptive turn of speed, coupled with strong marking ability, always makes him a very difficult player to counter.

Knee trouble as hampered Noel a lot this year, but even partly fit he is still a tremendous player and a great asset to the side.

Today we play old rivals Kenwick at home and although we have had the best of recent encounters, they will be no pushovers as they desperately need a win to keep them in touch with the four.

How about an extra special effort to bring off a double today fellows.

SOCIAL NOTES

Net Wednesday night there is a Quiz Night at the Tavern. These are always a lot of fun, so make up a party and come along. Tickets at \$1.00 can be obtained today from the Secretary or Social Secretary.

WICK'S WEEKLY

The Royals League side made their task of finishing in the top four a very difficult one following their defeat against Gosnell's last Sunday week.

Kenwick tried desperately all day against the strong Gosnell's side, ever, we did not capitalise on the opportunities that came our way.

Poor kicking for goal was again the main reason for our defeat.

It was pleasing to see an improved effort by some of the players who had been playing below their capabilities.

BEST PLAYERS, LEAGUE:

JOHN FARMER — was never beaten at centre-half forward and turned in his best effort for the season.

RALPH MARTIN — tried desperately all day but did not receive enough support from other players.

BARRY NICHOLAS and **KEVIN WILSON** turned back the opposition on many occasions throughout the game.

The Reserves were again defeated and their performance was very disappointing. They have also put themselves in a sticky position and will have to win at least four of the next five games to ensure their place in the top four.

The Reserves have had a bad year for injuries, but with the fortnight's break behind us, all injuries should have healed which could enable a strong side to be fielded today.

Best Players against Gosnell's were: **KEN STAINES** who roved well all day; **NEVILLE FRY**, kicked four goals from a half-forward flank and **DARRYL OGG** who rucked tigerishly all day.

Today's game is against Kwinana. Wins in both games are a must — this can only be done by every player giving 100 per cent. Kwinana has not been a happy hunting ground in the past, but I am sure that two wins will be recorded today.

CONGRATULATIONS: To Pat and Ros Dalton on the arrival of their son. Maybe another champion footballer for the Royals.

"THE BULLS ROAR"

The last set of fixtures saw the Bulls completely annihilate Mandurah in the League and scrape home in the Reserves.

In the Reserves we saw Mandurah lead throughout the entire game and it was not until 20 minutes into the final quarter that Russel Jarvis steered through the winning goal.

It was a fine last quarter effort by the Reserves who were 5 goals, odd, down at three quarter time. It is to be hoped that they will soon put four quarters of football together as these last quarter efforts, not only take a few years off the coach and supporters lives, but leave a big question mark for the finals. What about it players?

BEST PLAYERS: Dave Reynolds, D. Walker, M. O'Halloran, Russ Jarvis and Doug Bushby.

The League game turned out to be a very disappointing affair as we had expected a real fight after Mandurah's win against Kwinana. However, this was not to be, with the Bulls playing a very high standard of systematic team football, they completely destroyed Mandurah.

The highlight of the game was Jake Butler's 18 goals. In one of the finest exhibitions of forward play ever seen at Maddington. His tally of 18 goals broke the previous club record for the number of goals kicked in a match and takes his personal tally for the season to 96 goals. With an ounce of luck we should see Jake hit the 100 mark today.

Without detracting from Jake's performance, I would like to congratulate our players for the manner in which they delivered the ball to him, particularly Ian Saunders, Jim DiCarlo, Paul Mountain and Graeme Brice, their foot-passing was superb and I feel their efforts were instrumental in Jake's performance.

Dennis Cometti continued in his fine form and completely dominated the aerial duels.

In what was a very even team performance, **BEST PLAYERS** were:

Jim Butler, Dennis Cometti, Paul Mountain, Jim Di Carlo, Ross Palmer, Rod Mohr and Stan Brice.

Our Juniors continued their winning efforts of late, and congratulations are in order to our under-18's and under-16's who defeated the top team Armadale in both grades. They appear to have hit top form at the right time of the season and this augurs well for the finals.

BEST PLAYERS: Under-18's: B. Biffen, J. Garlet and G. Rodgers.

Well done "Little Bulls."

KALAMUNDA KOUGARS

Our journey to Kwinana proved only one thing—that the team is capable of kicking seven goals a quarter. This can only be achieved when full concentration is applied to the fundamentals of football.

It is difficult to understand why a team capable of achieving the desired results can only maintain pressure for a short period in each game.

We are fit—but our mental approach to the game is lacking.

In the next five matches, we can, and must win at least two of these. So how about it players, apply yourselves over this five week span to attendance at training, thus gaining in matches personal satisfaction in victories.

It would appear that the only victory gained at the Medina Oval was by the sand midgies, and all players suffered!

When you see the performance off the field of our ladies and committee, in their efforts to raise finance for the Club, surely we can perform better on the field.

ANNUAL BALL

Our Annual Ball last weekend was a great success, and a tribute to all our willing helpers. Special thanks go to those who manned the kitchen and bar, and thanks also to the many willing hands for providing such a luscious supper. Geoff Brown gives his thanks especially!

CAKE STALL

One of our final fund raising efforts for the season is a Cake Stall and Raffle early in August. Could we please have more assistance this time from players, wives and families, remember

— many hands make light work.

The Raffle will consist of a grocery parcel, for which we ask each player to donate two items. Please bring these to training next week chance.

The date for the Cake Stall will be announced next week.

BULLDOGS BULLETIN

The only pleasing factor to come from our game against Canning was the four points. I don't think our players need to be reminded of their very poor display. Enough said!

The Reserves side again showed the way with a great win. With Legs Scari leading a strong and tight backline, Canning were held to a mere point for the whole game. Wally Bick kicked another bag of goals, well supported by Ray Lawrence and Alec Creyk. All in all, a great team effort.

Last Sunday a very pleasant day entertainment was provided by our old players in a match against our current players. At one count the oldies had 24 men on the ground, and with Goldie Lawrence the ump, they managed a good win.

A most enjoyable time was had by all who attended.

We welcome Richard Peel and Warren Steward to the Bulldogs and wish them a long and successful association with our club.

Bingo has now finished for the season.

Today we are hosts to Kalamunda. We invite you all to stay after the game for the usual and a chat.

DEMONS DIGEST 'COME ALIVE - IN 75!'

Today, after our tour of the suburbs, we finally come back to Gwynne Park, as hosts to Mandurah F.C., the "Seasiders."

At thornlie, two weeks ago, both teams were beaten in no uncertain fashion. Despite their one-sided defeats, both teams had players prepared to keep plugging away at their tasks.

In the Reserves, none were better than Colin Towers, Frank Gajda, Alan 'Rascal' Pascall, the Heron brothers Phil and Steve, newcomer Bob Howleson and 'Shorty' Knezevich.

Of the twenty players selected for the League side, five were not able to play for one reason or another. This defeat was the League's worst this year, and will not be repeated, not even closely repeated again this year, the players will see to that.

Better players in this game were: Brian 'Killer' Davey, playing better, in his favourite position at last, Matt O'Mara, John 'Tanglefoot' Connell, and Dave Scott.

'Sneaky' Pete's bone jarring bumping and tackling did much to earn a healthy respect from the opposition.

Young Brian McGrath's debut into League football was full of merit. Despite being hammered into the ground by players twice his size, he bounced back every time, and came back for more. With the right application, Brian will become a strong asset to our playing strength. Keep it up Brian!

This game was also Johnny Erceg's 50th League appearance for the Club. It's a pity it had to be this game. Never mind Johnny boy, your 100th game will be a winner! Congratulations on reaching your 50, John.

No team likes to be beaten as badly as we were two weeks ago, and our Club is no exception. Get out there today fellas and show them what you really can do, and burn Demons, burn!

The Under-18s at Maddington two weeks ago, recorded their second defeat for the season. This team has the ability to come back and stay back. Come on fellas, back into high gear and foot flat to the tacks! Best players in this game were Peter Smith, Joe Lutey, and Richard Sheppard.

TIGER RAG

Canning produced one of their best performances against a strong Kelmscott side and were, for want of a better word, unlucky not to record a victory. The Reserves, however, were completely outclassed.

The League game was not decided until the final siren and the more experienced side finally ran out victors. Craig Nock played exceptionally well and outclassed many rival players. His form now seems certain to regain him the Fairest and Best award for the second time.

John Vlahov played strongly after his 'holiday' and Alan Wheelock played one of his best games this year. These two players, along with Neville Vellacott and John Hurley, proved a damaging problem for Kelmscott.

Reg Lunt surprised everyone and played a strong reliable game at full back and out-classed his 'name' opponent.

Gosnells will be surprised this week and should not take this Canning side too lightly.

The Reserves could not cope with the Kelmscott side and although thrashed, they were not completely disgraced. They fought on all day but didn't 'click' so therefore the scoreboard looked like Australia's in the First Test. Peter Forrest, Ken Jacobs and once again, the Hunter brothers, played well and took out Canning's best player.
